

General information

Please complete the form in clearly legible script before sending us signed pages 2 - 5 by post, fax (+49 221 99999 350) or as a scanned attachment (.pdf or .jpg file) by e-mail to vertrag@hosteurope.de.

Costs

There is a fee of 50 EUR per product or 5 EUR for SSL certificates (includes 19% VAT for Germany, depending on the VAT rate of your country the actual price may vary).

Transfer date

Of course, we will try to complete the transfer of contract on the date specified by you. However, please be aware that due to the need for internal processing, it may be delayed beyond this date.

Billing

The billing periods of the contracts managed under the previous customer number are not changed by the contract transfer. Thus, depending on the current billing periods, the products will be invoiced to you on the next date. You can find out the respective billing periods from the previous contract partner.

Please also note that it is not usually possible to provide for retrospective transfer of a contract. This means that invoices that have already been generated can also not be retrospectively amended.

Login data (KIS) - applies to new customers only

If you do not yet have a customer account with Host Europe, please enter your desired user name on page 3 of the form.

In this case, the following restrictions apply:

- Only letters and numerals may be used
- No special characters, blanks or umlauts
- Minimum five characters
- At least one letter
- E-mail addresses may not be used

If the selected user name has already been assigned, an alternative will be automatically assigned by Host Europe.

Transfer of contract/acceptance of contracts for individual products
